

AFTERNOON TEA...

Served at 12.30pm until 3.30pm

We warmly invite you to relax, make yourself at home and indulge in one of our wonderful afternoon teas.

It was in the early 19th century that Anna Maria Stanhope, the 7th Duchess of Bedford, created this now quintessential British tradition. She found herself becoming peckish in the afternoon and, after asking her servant to sneak her tea and biscuits, found that it provided the perfect revitalisation.

All of the products you will find on the menu below have been prepared by our skilled pastry chefs. The finger sandwiches, scones and cakes are all prepared daily for your enjoyment and satisfaction.

Each of our afternoon teas are served with your choice of loose leaf tea or coffee.
