

BLACK TEA

ENGLISH BREAKFAST | Pure Assam Breakfast Tea

A comforting and full breakfast classic, with rich malty sweetness and vivid ruby colored infusion. Assam tea is low-grown and holds a reputation as the strongest, full-bodied tea to be found.

ORGANIC BOHEA LAPSANG | the original, authentic lapsang

Richly and smolderingly smoky yet with great harmony and wealth of aroma, leaving an impression of almost peaty warmth.

EARL GREY | a perfectly focused classic

Refreshing and sweet, with lifted citrus charm freshening the structured tenacity of the Ceylon leaf. A perfectly focused classic.

GREEN TEA

ORGANIC JADE SWORD (*low in caffeine*) | Outstandingly Fresh Green Tea

The taste is an experience of the greenness of the tea plant itself, preserved by the tea master's skilled hand. It is a vibrant and bright cup with a refreshing and silky texture.

WHITE TEA

JASMINE SILVER NEEDLE (*low in caffeine*) | exceptional white tea

Super-Delicate flavors in which light and understated orchard blossom sweetness combines with fragrant jasmine to soft, vanilla effect.

INFUSIONS (caffeine free)

PEPPERMINT LEAF | an intensely freshening digestive

Insistent, deep and full mint flavors with an almost oily mid-palate, subsiding cleanly towards an intensely perfumed finish.

BLACKCURRANT & HIBISCUS | a rich whole fruit infusion

Whole blackcurrants, berries and cracked hibiscus shells make this sumptuous herbal infusion absolutely delightful.

CAMOMILE FLOWERS | a deeply soothing infusion

Bright, full, mellow floral depths with soft, refreshingly bitter vegetal complexities in the finish. Sweet yet austere - the definitive chamomile combination.
