Founded in 1812, the House of Laurent-Perrier has been defined by its pioneering role in innovating champagne throughout its history. Its innovation is rooted in unique savoir-faire, passed down through generations. Internationally recognised as one of the foremost names in Champagne, its success can be attributed to a deliberate policy of challenging conventional techniques, whilst honouring traditional values, a passion for quality and, above all, respect for nature and the terroir. From the multi-award-winning Laurent-Perrier range, we offer two outstanding Champagnes to accompany your tea.

Add a glass of Laurent-Perrier La Cuvée + £17.50 (125ml)

Delicate yet complex, with elegant notes of citrus and white flowers.

Add a glass of Laurent-Perrier Cuvée Rosé + £22.50 (125ml)

This gives it the highly expressive bouquet and delicious raspberry and wild cherry flavours that have made it a benchmark for rosé champagnes around the world.
