### *Waterloo tea selection*

We're delighted to serve Waterloo Tea, who always aim to bring over the best harvest from Asia so that they can offer the best of each origin and processing style. Waterloo's focus is on small farms with growers who cultivate their crops with the attention to detail, which too matches Silures' outlook. The tea is from businesses who adhere to ethical standards such as Fair Trade, Ethical Tea Partnership and child labour policies, which is and always will be important to Silures.
