# Tea Selection

Our afternoon tea is crafted with Tregothnan's rarest blends, the first ever English grown tea, curated for an exquisite experience.

Let our team guide you through a journey of aromas, flavours, and tradition, served with artistry and elegance.

A celebration of nature, heritage, and taste. Immerse yourself in a uniquely British afternoon tea.

## PARK LANE SIGNATURE TEA

Tregothnan black tea hand blended with woodruff creating the ultimate all-round breakfast tea.

## HYDE PARK LEMON VERBENA

Found growing outdoors in the family's Tregothnan botanical gardens, these cut leaves give a wonderfully rich lemon scent and piquant taste when infused. Zingy, zesty, fresh and subtly spicy with a tangy bite, this tisane is the perfect after dinner digestif.

The same species, *Aloysia triphylla*, also thrives in Hyde Park in a warm spot near Kensington Palace.

## THE PARKSIDE INFUSION

Tregothnan Classic Tea is plucked from the misty tea gardens in Cornwall and is the perfect brew. A consistent and awakening blend of exclusive Tregothnan leaves with the finest Assam. It is simply delicious with a bold, malty and full-bodied flavour.

## ROSE GARDEN TEA

Rose Tea is quintessentially British and is as beautiful as it is delicate. The soft floral notes of the sweet rose lighten the malt flavours from the black tea leaves.

The Rose Garden in Hyde Park is the inspiration for this wonderful tea being selected.

## LAPSANGS SWANSONG OAK SMOKED TEA

A truly British take on a Lapsang Souchong, this English oak smoked Tregothnan black tea has been smoked over 350-year-old oak wood from the tea gardens in Cornwall.

The black tea is a combination of our homegrown *Camellia* leaves and Assam. A strong smoky tea for those who like their tea with some punch.

## THE ORCHARD'S GRACE

Tregothnan Afternoon Tea is hand-picked in the Cornish River Gardens and blended with the Champagne of teas from Glenburn, Darjeeling.

The quintessentially British blend is light, clean and delicate with a muscatel tea taste.

## VISCOUNT GREY BLUE

Delicious to taste and visually appealing, this is a sophisticated and refined take on Earl Grey. Appealing to connoisseurs and first timers alike.

## GENMAICHA

Roasted with whole rice grains for an utterly delicious tea. Pronounced as Gen-my-cha, this sophisticated tea is also a favourite of children. Inspired by the authentic genmaicha's of Japan and the first time to be produced in the Western Hemisphere.
