"There are few hours in life more agreeable  
than the hour dedicated to the ceremony  
known as afternoon tea."

*Henry James*

Afternoon tea, the most quintessential of English customs is, perhaps surprisingly, a relatively new tradition, for it was not until the mid-19th century that the concept of 'afternoon tea' first appeared. Introduced in England by Anna, the seventh Duchess of Bedford, in the year 1840, the pause for tea soon became a fashionable social event and remains to this day a tradition enjoyed by many.

Combining beauty with the colourful charm of nature, Botanica is the ideal space to relax and enjoy our Afternoon Tea experience. The interior design captures the room's Victorian origins, blended with modern day touches and is flooded with natural daylight.

Served everyday between 12.30pm and 4.00pm (last seating)

## TEA

Our Afternoon Tea experience is complimented by Whittard of Chelsea, a premium tea selection

### QUEEN'S GATE BLEND

This historic blend is inspired by the type of tea enjoyed in Victorian London. Crafted according to the techniques used at the time, it's a tea with a real taste of authenticity: hearty, full-bodied and flavoursome, with a splash more originality than your everyday cup of tea.

### AFTERNOON

Our signature blend is a beautiful balance of black and jasmine green teas with flavours of bergamot and a sweet scattering of jasmine petals; an ideal tea to underline Floris Cherry Blossom fragrance.

### SAKURA

*To accentuate the fruity notes of Floris Cherry Blossom, we recommend Whittard's Sakura, a blend of sweet and fresh sencha green tea with the glorious flavours of ripe Cherry that will complement the spicy and fruitiness of the scones.*

### EARL GREY

Not only did Prime Minister Earl Grey inspire this iconic tea, he also abolished slavery in 1833. Let's raise our teacups to that! Our take on the quintessentially British brew is a blend of the finest black tea, balanced with flavours of fragrant bergamot and a signature scattering of elegant blue cornflowers.

### MANGO & BERGAMOT

A sweetly sophisticated Sencha with exotic flavours of mango, lulo and fragrant bergamot. Picked in early Spring for verdant freshness, we've scattered the young leaves with aromatic rose, sunflower and blue cornflowers for a signature splash of colour. Perfect for adding a tropical twist to afternoon tea.

### KEEMUN

*An elegant and comforting copper cup with touch of sweetness and subtle notes of lemon that will balance the sweet and citrusy flavours of the patisserie course inspired by Floris Lime Fragrance.*

### PEPPERMINT

This minty herbal refresher has long been top of the apothecary's list, sought for its reputed power to soothe the stomach and cleanse the palate. Keeping things simple, we've created a cool, clean infusion of pure peppermint leaves: it's a super digestif.

### SENCHA

Classic steamed green tea, famed for its lush, verdant taste. A good Sencha will have all the dewy freshness of a bright spring morning, matched with the softly savoury smoothness of melted butter. We've selected our signature style of Sencha for its strength, subtle sweetness and rich, refreshing taste.
